ART PAPER

Just exactly what  
are we doing here?

## Journal of Ecotopia

### Sandy River Clackamas County, Oregon

We hiked a mile to walk the beach on the  
Sandy River where it meets with the  
Columbia River.

The Enlightenment gave we humans the  
idea that we could build our civilization  
separately from nature. On our walk, we  
found remnants of the idea.

Enjoy the treasure.
